

Prong-Lok PRO-4

The Prong-Lok is a metal “crimp” seal used in conjunction with a wire or cord. A sealing tool provides a secure fit and a large flag provides room for embossed information.

APPLICATIONS

- Ammunition Box
- Drum Rings
- Container Latches

FEATURES

- Approved by all branches of the US Military for use on ammunition containers and equipment.
- Once crimped, wire cannot be removed without being cut or destroying seal.
- Ergonomically designed sealing press is easy to use and will not hurt operator’s hands.
