

# X-Strap Seal

The X-Strap is a fixed length tamper-evident security seal manufactured with a thin strap. It is ideal for those applications requiring a seal to fit into a small opening or when a tamper evident seal is required in conjunction with a traditional padlock.

## APPLICATIONS

- Trailer Doors
- Bulk Tankers
- Railcars

## FEATURES

- Individually numbered &/or printed with company name and logo
- Laser etched barcoding available with extended flag
- Tamper-resistant acetal locking mechanism
- Matted in strips of 10 for ease of use
- Weather resistant withstands extremes of cold and heat

## MATERIAL

- High Density Polyethylene and Acetal

## DIMENSIONS

- Operational Length:
- 9" seal: 6" (228mm; 152.4mm)
- 12" seal: 9" (305mm; 228mm)

## STRENGTH CHARACTERISTICS

- Average pull apart force: 40 lbs (18.1 kg)

## MARKING/PRINTING

- Numbering: 7 digits
- Lettering: 3 lines of 10 characters
- Direct laser marked barcodes on extended flag can be done on white, black, yellow, red or orange seals.
  - For other seal colors (for example blue), a white hot stamped area is applied to laser mark barcodes
